The following information (Health Effects, Handling/Disposal, and Ingredients) is taken from the product label and/or the [Material Safety Data Sheet \(MSDS\)](#) prepared by the manufacturer. The National Library of Medicine does not evaluate information from the product label or the Material Safety Data Sheet.

Warning from Product Label: Eye irritant. Do not use with other X-14 products or other cleaning products. First Aid. Skin or Eyes: Flush immediately with water. Remove contact lenses and continue flushing with water. If irritation persists, call a physician or poison control center. Swallowed: Do not induce vomiting. Drink several glasses of water and call a poison control center or get medical attention immediately. If breathing is affected: Get to fresh air immediately.

Acute Health Effects: From MSDS
Inhalation: Mist may be irritating to upper respiratory tract.

Eye Contact: May cause irritation and, in cases of extreme exposure, damage to eye tissue.

Skin Contact: May cause skin irritation.

Ingestion: If swallowed, may cause irritation to the mucous membranes of the mouth, throat, esophagus and stomach. May also produce nausea and vomiting.

Medical Conditions Generally Aggravated by Exposure: None given

Chronic Health Effects: MSDS: None listed

Carcinogenicity: No information provided in manufacturer's Material Safety Data Sheet (MSDS).

Health Rating: N

Flammability Rating: N

Reactivity Rating: N

HMIS Rating Scale: 0 = Minimal; 1 = Slight; 2 = Moderate; 3 = Serious; 4 = Severe;
N = No information provided by manufacturer; * = Chronic Health Hazard

MSDS Date: 1997-01-10

Handling/Disposal

Handling: MSDS: Avoid contact with skin and eyes. Keep tightly closed and out of reach of children. Do not mix with other X-14 products or other household products, strong acids, or allow to come in contact with organic halogen and nitro compounds, tin, zinc or aluminum.

Disposal: MSDS: Do not reuse container. Dispose of in accordance with federal, state, and local regulations.

Ingredients from MSDS/Label

| Chemical | CAS No / Unique ID | Percent |
|--|--------------------|---------|
| Hydroxyacetic acid | 000079-14-1 | |
| Isopropylamine dodecylbenzenesulfonate | 026264-05-1 | |
| Dipropylene glycol monobutyl ether | 029911-28-2 | |
